## Understanding your policy

---

This **policy** is designed to provide **you** with insurance cover for property damage, **business interruption** and general and specific liabilities that could impact **your business**. **You** can identify the cover **you** have purchased by looking at the **schedule**.

This **policy** will form the contract between **you**, as the insured, and **us, your** insurers, subject to the terms and conditions detailed below. Any **endorsement**, extension or other variation which relates to this **policy** is also subject to the terms and conditions below.

Please read the **policy** documentation in full. It is important that:

- **you** check the sections **you** have requested are included in the **schedule**;
- **you** check that the information **you** have given **us** is accurate;
- **you** understand what each section covers and does not cover;
- **you** understand **your** duties under the **policy** as a whole.

**You** should contact **your** broker immediately if this **policy** is not correct or if **you** have any questions relating to this insurance. **You** should keep the **policy** in a safe place.

The headings used in this **policy** are for reference and identification purposes only. Words and phrases in bold have been given specific meanings and can be found in the [General Definitions](#) section of this **policy** and in the section specific definitions.

**We** are dedicated to providing **you** with a high quality service. If **you** ever feel that **we** could have dealt with any aspect of **our** relationship with **you** better or if **you** have any suggestions as to how **we** could improve **our** service, then please do not hesitate to get in touch with **us**.

## Duty of fair presentation

---

In deciding to accept this **policy** and in setting the terms and premium, **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.

If **we** establish that **you** deliberately or recklessly provided **us** with false or misleading information **we** will treat this **policy** as if it never existed and decline all claims.

If **we** establish that **you** carelessly provided **us** with false or misleading information it could adversely affect **your policy** and any claim. For example, **we** may:

- treat this **policy** as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
- amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place if a claim has been adversely impacted by **your** carelessness;
- reduce the amount **we** pay on a claim in the proportion the premium **you** have paid bears to the premium **we** would have charged **you**; or
- cancel **your policy** in accordance with the 'Cancelling this insurance' condition below.

**We** or **your** insurance broker will write to **you** if **we**:

- intend to treat **your policy** as if it never existed; or
- need to amend the terms of **your policy**.

If **you** become aware that information **you** have given **us** is inaccurate, **you** must inform **your** broker as soon as practicable.

## **Cancelling this policy**

---

This insurance has a cooling off period of 14 days from the later of either:

- the date **you** receive this insurance documentation (or renewal documentation); or
- the start of the **period of insurance**;

If **you** wish to cancel this **policy** and the insurance cover has not started, **you** will be entitled to a full refund of the premium paid. Alternatively, if **you** wish to cancel this **policy** and the insurance cover has started, provided **you** have not made a claim, **you** will be entitled to a refund of the premium paid, less a proportional deduction for the time **we** have provided cover.

If **you** do not exercise **your** right to cancel **your policy**, it will continue in force and **you** will be required to pay the premium.

For cancellation outside of the cooling off period **you** can cancel this insurance at any time by contacting **your** broker using the following means of communication:

- Telephone: [01284 736874](tel:01284736874)
- Email: [info@petbusinessinsurance.co.uk](mailto:info@petbusinessinsurance.co.uk)
- Post: Pet Business Insurance, Plumton Hall, Whepstead, Bury St Edmunds, Suffolk, IP29 4SU

If this insurance is cancelled outside the cooling off period, provided **you** have not made a claim or notified an event that could give rise to a claim, **you** will be entitled to a refund of any premium paid, less a deduction for any time for which **you** have been covered. This will be calculated on a proportional basis. For example, if **you** have been covered for 6 months, the deduction for the time **you** have been covered will be half the annual premium.

If **we** pay any claim, in whole or in part, then no refund of premium will be allowed.

## **Payment of premium**

---

**You** agree to pay the premium in full to **us** prior to inception of this **policy** (or, in respect of instalment premiums, when due).

If the premium due under this **policy** has not been paid to **us** prior to inception of this **policy** (and, in respect of instalment premiums, by the date they are due) **we** shall have the right to cancel this **policy** by notifying **you** via **your** broker in writing. In the event of cancellation, the premium is due to **us** on a pro rata basis for the period that **we** are on risk but the full **policy** premium will be payable to **us** if there is a loss or a notification of a claim which gives rise to a claim under this **policy** prior to the date of termination.

**We** will give **you** not less than 14 days' prior notice of cancellation via **your** broker. If the premium due is paid in full to **us** before the notice period expires, notice of cancellation shall automatically be revoked. If not, the **policy** will automatically terminate at the end of the notice period.

If any provision of this clause is found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability will not affect the other provisions of this clause which will remain in full force and effect.

### Premium adjustment

If the premium has been calculated on estimates given by **you**, **you** must keep an accurate record of all relevant particulars which must be available to **us** for inspection.

Within a reasonable time after the end of each **period of insurance**, **you** will supply to **us** an accurate statement in the form required so that the premium for that period can be calculated and the difference paid by or returned to **you**.

If **you** do not supply a statement within a reasonable time after the end of the **period of insurance**, **we** will be entitled to charge an additional premium for that **period of insurance**.

## Renewal of insurance

---

When **your policy** is due for renewal, **we** will write to **you** at least 21 days before the **period of insurance** ends with full details of **your** next year's premium and **policy** terms and conditions. If **you** do not want to renew the **policy**, please contact Pet Business Insurance on [01284 736874](tel:01284736874).

Occasionally, **we** may not be able to offer to renew **your policy**. If this happens, **we** will write to **you** at least 21 days before the expiry of **your policy** to allow enough time for **you** to make alternative insurance arrangements.

### Automatic renewal

In some cases **we** will automatically renew your policy. This means that, unless you tell **us** otherwise, **your** new insurance cover will start on **your** renewal date. If **we** intend to automatically renew **your** policy **we** will tell **you** on **your** notice of renewal. Unless **we** hear from **you** on or prior to renewal date, **your** policy will be renewed and payments continue to be taken from **your** account.

If you do not want to renew **your** policy, or **you** wish to opt out of the automatic renewal process, please let **us** know before **your** renewal date by calling [01284 736874](tel:01284736874).

## How to make a claim

---

Pet Business Insurance will advise **you** of the next steps to take to progress **your** claim. It will help **us** if **you** have details of **your policy** available when telephoning.

## Subscription notice

---

Where there is more than one insurer subscribing to this **policy** the liability of an insurer under this contract is several and not joint with other insurers party to this **policy**. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this **policy**.

The proportion of liability under this **policy** underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this **policy**. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this **policy**" in the singular, where the circumstances so require this should be read as a reference to policies in the plural.

## **Governing law and jurisdiction**

---

### **Governing law**

This **policy** shall be governed by, and construed in accordance with, the laws of the **territorial limits**.

### **Jurisdiction**

Any dispute between the parties over the terms of this **policy** shall be subject to the exclusive jurisdiction of the courts of the **territorial limits**.

## **Interpretation**

---

In this **policy**:

1. reference to any Act, statute or statutory provision shall include a reference to that provision as amended, re-enacted or replaced from time to time whether before or after the date of the inception of this **policy**;
2. if any term, condition, exclusion or **endorsement** or part is found to be invalid or unenforceable the remainder shall be in full force and effect;
3. headings are for reference only and shall not be considered when determining the meaning of this **policy**.

## General Conditions

---

These conditions apply to all sections of **your policy**.

### Arbitration

All disputes and differences arising under or in connection with this **policy** shall be referred to arbitration.

The Arbitration Panel shall consist of three arbitrators, one to be appointed by **you**, one to be appointed by **us** and an independent umpire to be appointed by the two party-appointed arbitrators within 10 days of a formal written complaint. The Arbitration Panel will be constituted upon the appointment of the umpire.

The Arbitration Panel may in its sole discretion make such orders and directions as it considers necessary for the final determination of the matters in dispute.

The parties to such arbitration will pay the party-arbitrators respectively appointed by them and bear equally the expenses of the arbitration and the charges of the umpire.

The written decision of the arbitrator will be binding on **you** and **us**.

Arbitration will take place in the territory in which **you** are resident, unless otherwise agreed by **you** and **us**. Local rules of law as to procedure and evidence will apply.

### Assignment

Any assignment of interest under this **policy** will not bind **us** unless **we** have consented in writing.

### Audit of records

**We**, or **our** representatives, have the right to inspect or review all of the records relating to this insurance at any reasonable time while the **policy** is in force or within 2 years after its termination. **You** will make all necessary records available to **us** at **our** request. If the final settlement of any claims liability under the **policy** extends for more than 2 years after its termination then **our** right to audit shall extend until final settlement of any outstanding claims.

### Average

- a) If at the time of **damage** the **sum insured** of the **property insured** by each item is less than 85% of the cost of **reinstatement** at the start of the **period of insurance**, then **our** liability for any **damage** will be limited to the proportion that the **sum insured** bears to the cost of **reinstatement**; and
- b) where a Day One reinstatement clause applies, if at the time of **damage** the **declared value** of the **property insured** by each item is less than the cost of **reinstatement** at the start of the **period of insurance**, then **our** liability for any **damage** will be limited to the proportion that the **sum insured** bears to the cost of **reinstatement**; and
- c) in respect of **stock** or any other item listed in the **schedule**, if at the time of **damage** the **sum insured** on any of these items is less than the value of the **property** covered by the item (or in respect of any item on rent, less than the amount of rent during the period to which the item relates), then **you** will be considered as being the insurer for the difference and will bear a rateable

share of the loss accordingly. The amount payable by **us** will be proportionately reduced.

If it is stated in the **schedule** that average does not apply at the time of the **damage**, the maximum amount payable will be the **sum insured** for that item.

#### Breach of terms and conditions

If **you** breach of any of the terms, conditions or provisions of this **policy** (including any claims conditions), **we** may decline to pay a claim, to the extent permitted by law.

#### Burden of proof

In the event of a claim, the burden of proof shall be on **you**.

#### Cancellation – our rights

**We** may cancel the **policy** or any section by giving 30 days' notice in writing by registered post to **you** at **your** last known address. In this case **you** will be entitled to a proportionate return of premium for the unexpired term of the **policy** (unless **we** invoke the [Claims Condition Fraudulent Claims](#)).

Examples of reasons **we** may cancel **your policy**:

- a) there is a substantial change in **your business**;
- b) there is reasonable suspicion of fraud;
- c) **you** do not co-operate or supply information or documentation that **we** request which affects **our** ability to process any claims;
- d) following a survey at any of **your** properties or sites **we** have required **you** to make risk improvements and **you** have not completed these within a reasonable period of time advised by **us**;
- e) threatening or abusive behaviour language, intimidation or bullying of **our** staff or suppliers.

Where a claim has been made during the current **period of insurance**, the full annual premium will still be payable despite cancellation of cover and **we** reserve the right to deduct this from any claim payment.

#### Cessation or discontinuation of trading

If after the start of the **period of insurance** the **business** is wound up or carried on by a liquidator or receiver or permanently discontinued, **we** will not cover **you** from the date of such change or alteration.

#### Changes in risk

**You** will give notice to **us** of any alteration or circumstance which substantially affects the risks insured under this **policy**. Until **we** are advised of such alteration or circumstance and have expressly agreed in writing to accept liability by way of an **endorsement** and **you** have paid the additional **premium**, **we** will not be liable in respect of any claim(s) caused by or arising from such alteration or circumstance.

Examples where **we** would need **you** to notify **us** of a change:

- if any sums insured **you** have declared to **us** have increased or decreased;
- there is a change to **your business** activities;
- **you** move **premises** or make alterations to the **premises you** occupy;
- the security protections **you** have declared to **us** change.

**Conflict of statutes or laws**

**Cross liabilities**

Each person or party specified as the insured in the **schedule** is separately insured in respect of claims made against any of them by any other such person or party subject to **our** total liability not exceeding the stated **limits of indemnity**.

  - ii) Other items  
The Producer Price Index for Home Sales of Manufactured Products issued by the Department of Trade and Industry.

NOTE: If either of the above indices is not available, **we** may select a suitable alternative.

In the event of a negative index **we** will retain **your** existing amounts insured, unless **you** advise **us** otherwise.

- b) Claims  
For claims settlement purposes (except claims under [Section 2 - Business Interruption](#)) the adjustments set out above will continue during the **period of insurance** and the period of repair, replacement or **reinstatement** as long as the work is carried out and completed without undue delay.

**Interest clause**

If requested to do so by **you**, **we** will note the interest of a Lender (for example a bank or other financial institution) under **your policy**. This does not convey any right to the Lender to enforce the **policy** or entitle it to payment of the proceeds of an insurance claim however **we** will agree to notify the Lender in the event that:

- a) this **policy** is cancelled or not renewed;
- b) any cover provided by this **policy** is reduced or restricted by **us**;
- c) **we suspend** or avoid the cover provided by this insurance **policy**, or
- d) **we** become aware of any act or omission which may invalidate all or part of any insurance or claim.

In the event of a claim, any other interested party should declare the nature and extent of its interest.

**Maintenance and reasonable precautions**

Unless otherwise agreed by **us**, **you** will at **your** own expense:

- a) take all reasonable precautions to prevent or reduce **damage**;
- b) cease any activity which may give rise to liability under this **policy**;

#### Multiple insureds

Where more than one entity is designated as an insured, the first named insured will act on **your** behalf and other parties covered under this **policy** with respect to the giving and receiving of any notices from **us** including any notice of cancellation. The payment to the first named insured of any return **premium** that may be payable under this **policy** will satisfy **our** obligations to return **premium** to any other party covered by this insurance.

#### Other insurance

If a loss covered by this **policy** is also covered by other insurance, **we** will pay only the rateable proportion of the loss that the **limit of indemnity** that applies under this **policy** bears to the total amount of insurance covering the loss.

#### Records

**We** may hold documents relating to this insurance and any claims under it in electronic form and may destroy the originals. An electronic copy of any such document will be admissible in evidence to the same extent as, and carry the same weight as, the original.

#### Sanctions

**We** shall not provide cover nor be liable to pay any claim or provide any benefit under this insurance if the provision of such cover, payment of a claim or provision of any benefit would expose **us** or any member of **our** group to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America..

#### Survey

If **we** require a survey of the risk covered by this **policy** as a condition of providing cover but the survey has not been completed before the **policy** documents have been issued, **you** must comply with any risk improvements required as a result of the survey within the agreed time limits specified by **us**.

**We** reserve the right to cancel, suspend or alter the terms applying to any part of this **policy** for which cover has been provided if, as a result of the survey, the risk or any part of it is in **our** opinion unacceptable to **us**.

#### Tax

There may be circumstances where taxes may be due that are not paid via **us**. If this occurs then it is **your** responsibility to ensure that these are paid direct to the appropriate authority.

## Basis of claims settlement

### A. Indemnity

The basis upon which **we** will calculate the amount **we** will pay for any claim for professional fees, debris removal, pedal cycles and personal effects and **stock** will be:

- a) the cost of replacement or repair of the **property** which has suffered **damage**, to a condition as good as, but not better or more extensive than, its condition immediately before the **damage**; or at **our** option;
- b) where the **property insured** is lost or destroyed, the value of the **property insured** immediately before its loss or destruction.

### B. Reinstatement

Following **damage** to the **property insured**, except for professional fees, debris removal, pedal cycles and personal effects, computer records and **stock**, the basis upon which **we** will calculate the amount **we** will pay for any claim will be the **reinstatement** of the **property damaged**, subject to the following conditions:

- a) where the **property insured** is:
  - i) lost or destroyed, **we** will pay for its rebuilding or replacement by similar property in a condition as good as, but not better or more extensive than, its condition when new;
  - ii) **damaged**, **we** will pay for the replacement or repair of the **damaged** portion to a condition as good as, but not better or more extensive than, its condition when new.

However, **we** will not pay more than **we** would have done if the **property** had been completely destroyed.

or any other maximum amount payable or the **limit of indemnity** specified in this section or the **schedule**.

### C. Day one basis (non-adjustable)

The insurance by the item(s) indicated in the **schedule** is subject to the following:

- a) If a **declared value** is stated for any item in the **schedule**, then **our** liability will not exceed the **sum insured** calculated by applying the **uplift** to the **declared value** as stated in the **schedule**. **You** having stated in writing the **declared value** of each item in the **schedule**, and the premium has been calculated accordingly.
- b) At the start of each **period of insurance**, **you** must notify **us** of the **declared value** of each of the items insured on a day one basis. In the absence of a declaration, the last amount declared by **you** will be taken as the **declared value** for the next **period of insurance**.
- c) Where [General Condition Average - part \(a\)](#) is applied, no payment is to be made beyond the amount which would have

been payable had this clause not been operative. **Our** liability will be limited to 100% of the **declared value** shown in the **schedule**.

## Section conditions

---

These conditions apply to this section of **your policy** and are in addition to the General Conditions. **You** must comply with the following conditions to have the full protection of **your policy**. Conditions may specify circumstances whereby non-compliance will mean that **you** will not receive payment for a claim. However, **you** will be covered and **we** will pay **your** claim if **you** are able to prove that the non-compliance with these conditions could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

#### Accumulated stocks

In adjusting any loss, account will be taken and an equitable allowance will be made if any shortage in **turnover** due to the **damage**

is postponed because of the **turnover** being temporarily maintained from accumulated **stocks** of finished goods.

#### Alteration

The insurance by this section will be cancelled if:

- a) the **business** is wound up, carried on by a liquidator or permanently discontinued; or
- b) **your** interest ceases otherwise than by death; at any time after the start of this **policy** unless **we** agree it may continue.

#### Alternative trading

If, during the **indemnity period**, goods are sold or services are rendered elsewhere than at the **premises** for the benefit of the **business** either by **you** or by others on **your** behalf, the amount paid or payable for the sales or services will be brought into account in arriving at the takings during the **indemnity period**.

#### Automatic reinstatement after loss

Unless **you** tell **us** otherwise in writing, **our** liability will not be reduced by the amount of any loss and **you** agree to pay the appropriate additional premium for this automatic reinstatement of cover.

#### Book of account

**You** must ensure that **your** books of account and other **business** books or records in which **you** record customer accounts are kept in fire resisting safes or cabinets when not in use.

#### Current cost accounting

For the purpose of this section any adjustment implemented in current cost accounting will be disregarded.

#### Declaration for gross profit / gross revenue

If the **declaration** (adjusted as above and proportionately increased where the **maximum indemnity period** exceeds twelve months):

- a) is less than the **estimated gross profit / gross revenue** (as applicable) for the relative **period of insurance**, **we** will allow a pro rata return of premium not exceeding 50% of the premium;
- b) is greater than the **estimated gross profit / gross revenue** (as applicable) for the relative **period of insurance**, **you** will pay a pro rata additional premium.

#### Departments

If the **business** is conducted in departments and their trading results can be calculated separately, clauses (a) and (b) of the item on **gross profit / gross revenue** (as applicable) will apply separately to each department affected.

#### Intergroup dependency

In the event of **damage**, the amount **we** will pay to **you** for any one claim is limited to the consequential loss:

- a) at the **premises** where the **damage** takes place; plus
- b) at all other **premises**;

but the amount **we** will pay will not exceed the **sum insured** shown in the **schedule**.

#### Payments on account

Payments on account will be made at **our** discretion during the **indemnity period** if requested.

#### Premium adjustment

##### Book debts

Within 30 days of the end of each calendar month, **you** will advise **us** in writing of the total amount of **outstanding debit balances** as shown in **your** accounts. If **you** do not advise **us**, **we** will take the maximum **sum insured** as the total amount declared.

At the end of each **period of insurance** the actual premium will be calculated on the average amount insured i.e. the total of the amounts declared divided by the number of **declarations**. If the actual premium is greater than the first or annual premium paid, **you** will pay **us** the difference. If it is less **we** will refund the difference to **you** but only up to one half of the first or annual premium paid.

#### Gross profit / revenue

The first and annual premiums for **gross profit / gross revenue** (as applicable) are provisional and are based on the **estimated gross profit / revenue** (as applicable) for the financial year most nearly concurrent with the **period of insurance**.

Within six months of the expiry of each **period of insurance**, **you** will give **us** a **declaration** of the **gross profit / gross revenue** (as applicable) earned during the financial year most nearly concurrent with the **period of insurance** as confirmed by **your** auditors.

If any loss has occurred giving rise to a claim for loss of **gross profit / gross revenue** (as applicable), **we** will increase the **declaration** for the purpose of premium adjustment by the amount by which the **gross profit / gross revenue** (as applicable) was reduced during the financial year solely following the loss.

#### Renewal

**You** will before each renewal tell **us** the **estimated gross profit / revenue** (as applicable) for the financial year most nearly concurrent with the next **period of insurance**.

**You** must ensure that copies of all computer disks, tapes or other recording materials are made each day and the copies removed from the **premises** and kept at a secure location on a daily basis.

#### Salvage sale

If following **damage** giving rise to a claim under this section **you** hold a salvage sale during the **indemnity period** the definition of **standard turnover** will instead mean the sum produced by applying the rate of **gross profit** to the amount by which the **turnover** during the **indemnity period** (less the **turnover** for the period of the salvage sale) will because of the **damage** fall short of the **standard turnover** from which sum will be deducted the **gross profit** actually earned during the period of the salvage sale.

#### Undamaged stock

This section includes cover for undamaged **stock** (less salvage value), made unusable solely as a result of **damage**.

#### Value added tax (or similar tax in the territorial limits)

**Defence costs** are covered provided that:

- a) if a paid **claim** exceeds the limit shown in the **schedule**, **we** will only be liable for that proportion of the **defence costs** which it bears to the amount of the paid **claim**;
- b) if **we** elect to make a payment to **you** pursuant to [Claims Conditions - Discharge of Liability](#) then **we** will have no liability to pay **defence costs** incurred after the date upon which payment is made.

### Excess

**Our** total liability applies over and above any **excess**, as set out in the **schedule**.

## Automatic extensions

---

The following extensions are provided as standard covers

#### Court attendance costs

Cover at a rate of:

- a) GBP 250 per day for any current partner, member or director;
- b) GBP 150 per day for any **employee**;

for each day that **we** request attendance at court as a witness in connection with a **claim**, for which an award of damages is paid or may be payable under this section.

Cover for all legal costs incurred with **our** consent for representation at any inquiry or other proceeding which has, in **our** sole opinion, a direct relevance to any **claim, circumstance** or event which may form the subject of cover under this section.

If **you** are charged with a criminal offence during the **period of insurance** under a statute or regulation that applies to **your business**, **we** will pay reasonable **defence costs** incurred with **our** prior written consent to defend **you** if, in **our** opinion, a successful defence may avoid a **claim** being made against **you** which would be covered by this section.

**We** will pay up to the amount shown in the **schedule** for the costs to defend criminal proceedings. This applies to all actions brought against **you** during the **period of insurance**.

#### Indemnity to principals

At **your** request and subject always to all of the other terms and conditions of this section, **we** will cover any principal with whom **you** have entered into an agreement in connection with **your business** so far as is necessary to meet the requirements of the agreement but only for a **claim** brought against that principal by an unconnected third party and where the **claim** arose directly from services performed by **you**.

#### Loss of documents

If during the **period of insurance** any document, information or data of **yours** which is necessary for the performance of **your business** is lost, **damaged** or destroyed while in **your** possession, **we** will pay, up to the amount stated in the **schedule** and in the aggregate, reasonable expenses **you** incur with **our** consent in restoring or replacing it.

#### Potential claims

If **your** client refuses to pay for any or all work **you** have done or which has been done on **your** behalf, including amounts **you** legally owe to sub-contractors or outsourcers, because they are dissatisfied in **your** work and have indicated that they intend to bring a **claim** against **you** for more than the amount owed to **you**, **we** will endeavour to settle the dispute with **your** client provided they agree not to press for the disputed amount.

**We** will then pay **you** the amount owed to **you** at that time if **we** believe that this will avoid a legitimate **claim** for a greater amount and **we** have given **our** written approval to settle in this way and for this amount.

If **your** client will not agree to disregarding their dispute but **we** still believe that by not pressing for the disputed amount **you** will avoid a legitimate **claim** or counterclaim for a greater amount, **we** will pay the

amount owed to **you** at that time. If a **claim** is still brought, **we** will deal with it but **our** total payment, including what **we** have already paid **you** or on **your** behalf, will not exceed the **limit of indemnity** shown in the **schedule**.

**You** must return the amount **we** have paid if **you** eventually recover the debt, less **your** reasonable expenses.

#### Sub-contractors

**We** will cover **you** against any **claim** falling within the scope of the **Insuring Clause** for this section, which is brought as a result of **business** activity undertaken on **your** behalf by any sub-contractor or outsourcer.

### Section conditions

---

These conditions apply to this section of **your policy** and are in addition to the General Conditions. **You** must comply with the following conditions to have the full protection of **your policy**. Conditions may specify circumstances whereby non-compliance will mean that **you** will not receive payment for a claim. However, **you** will be covered and **we** will pay **your** claim if **you** are able to prove that the non-compliance with these conditions could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

#### Waiver of subrogation

If any payment is made under this section and **we** are subrogated to **your** rights of recovery in that regard, **we** agree not to exercise these rights against any of **your** current or former directors or **employees** unless the **claim** is brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of the director or **employee**.
